

Rule 9070-2

ATTACHMENTS – ELECTRONIC SUBMISSION OF

Electronic Filing Users shall submit in electronic form all documents referenced as attachments, unless the Court permits conventional filing. An Electronic Filing User may submit as attachments only those excerpts of the referenced documents that are directly germane to the matter under consideration by the Court. Excerpted material must be clearly and prominently identified as such. Electronic Filing Users who file excerpts of documents as attachments under this rule do so without prejudice to their right to timely file additional excerpts or the complete document. Responding parties may timely file additional excerpts or the complete document that they believe are directly germane.

2004 Amendment

This amendment was adapted from the "Model Local Bankruptcy Court Rules for Electronic Case Filing" approved on September 11, 2001 by the Judicial Conference of the United States Courts. This amendment gives Electronic Filing Users additional flexibility when submitting exhibits or documentary attachments to pleadings in that they may choose to file exhibits electronically before a hearing on the matter commences. Additionally, this amendment provides another incentive for attorneys to consider registering as an Electronic Filing User because costs associated with reproducing lengthy exhibits would be eliminated. The Clerk will specify procedures for exhibits submission within the Electronic Filing Procedures Guide. Such items as size of document limitations and delivery method will be described.
